The Special Village Board Meeting was called to order by President Montague at 5:00pm on Tuesday, November 23, 2021 at the Sullivan Sewer Plant, 624 Bakertown Road. The meeting is being held in compliance with Wisconsin Open Meetings Law. Board members present: Dan Gross, Gary Kernodle, Randy McHugh and Roberta Montague. Absent: Sean Kevin.

Discussion/Possible Approval of How to Proceed with Building Conditions

Engineer Heidemann and Schlough discussed and did a walk around the building showing them the deterioration that the concrete block has. This was caused by moisture getting into the block. The engineers gave the board a few different options to start considering on how to fix the building. The board made no decisions and it will be discussed at the regular monthly board meeting.

A McHugh/Gross motion carried on a voice vote to adjourn the Special Village Board Meeting at 5:31pm.
