Discussion about Village Line Road Incident

President Montague called this meeting so the Village could receive accurate information directly from Kelly Horton. Kelly provided an update of Tim's condition to the board. She also asked the Village to please stop any negative communication to the Sheriff's Department. Her and Tim have the up most faith in the Sheriff's Department and bringing justice to the situation that accrued.

The Village and Kelly are very appalled by the different rumors going on around the community and is asking everyone to please shut down any and all rumors.
